Assured Nursing offers dental benefits through Anthem utilizing the Anthem Dental Complete Network which allows you to seek treatment from the dentist of your choice. To see if your dentist is in-network go to [www.anthem.com/find-doctor](http://www.anthem.com/find-doctor). You will then select your state. You can then search as a member by logging in if you currently have Anthem coverage through Assured Nursing or you can search as a guest. Choose the Dental Complete network in the drop down.
